## Schedule of Events

This track & field meet has a “rolling schedule”, which means that with exception to a start time for the meet there is no scheduled time for the start of each running event. Pay close attention to the schedule of events and be aware of what events are occurring at any given time during the indoor meet. Listen for the “first” and “second” calls for each event and schedule your warm-ups accordingly! Girls proceed boys except for the pole vault (boys will be first). The schedule of events will not change the day of the events.
